TO: The Honorable James R. Schlesinger

FROM:

SUBJECT: China Over the Next Several Decades

REMARKS:

Attached is a rather thoughtful piece done by the Office of Political Research looking at China's prospects over the last quarter of this century. I thought you might find it of some personal interest.

DATE: 16 Aug 74

TO: The Honorable James R. Schlesinger
The Secretary of Defense

FROM:

SUBJECT: Romania

REMARKS:

The attached note on Romania complements the broader look at "Unease in Eastern Europe" which was done at your behest. This piece focuses exclusively on the Romanian question, amplifying some of the other memo's comments about that country. Given your general current interest in Eastern European matters, I thought you might want to see this separate look at Romania as well as our more general look at the Balkans.
